Present: Jose Rios, Tom Diehm, Sam Chung, Ruth Rea. **Absent:** Kent Nelson, Emily Ignacio, Yonn Dierwechter **Guests:** Patrick Pow.

1. Approval of Minutes

Minutes from the January 23, 2008 meeting were approved.

2. Updates

TSPAN 483: Jose spoke with the Seattle Committee about this course. They are fine with the actual content and way it is being offered, but have two requirements at this point: a) evidence that the faculty/program have approved the course; b) evidence that the two affiliate faculty have been voted in by IAS faculty. Jose has communicated this to IAS and it is now up to them to follow through if they plan to offer this class in the summer.

3. Course Applications

TCES 310: Approved with the following change: grading criteria in syllabus and on application form need to be brought into congruence. Return directly to Jose when complete.

TSOCWF 300: Approved as is.

TSOCWF 402: Approved as is.

THLTH 470: Approved as is.

4. Other Business

If next month's meeting is as light on work as this month, we will take some time to review our annual goals and see where we stand with them.

5. Next Meeting

The next meeting is scheduled for March 19, 2008, 12:45-2:00 pm in CP 206C.

The meeting adjourned at 1:00 p.m.

Respectfully submitted,
Tom Diehm, PhD, MSW
