

# **Tri-Campus Climate Survey**

**Dr. Jason Johnson**

**September 23rd 2019**

**University of Washinton Tacoma  
1900 Commerce St.  
Tacoma, WA 98402**

Jason Johnson serves as Senior Associate Dean and Associate Vice Provost for Undergraduate Academic Affairs at the UW Seattle campus, where he also serves on the faculty in the College of Education. He is currently the co-chair of the UW's Climate Study Working Group (CSWG), the committee charged with overseeing the UW's climate study project in partnership with Rankin & Associates Consulting. Comprised of 30+ students, faculty, and staff representing all three campuses, the CSWG guides the development of the survey questions, the administration of the survey, and the communication of findings.
