Ethiopia, in the Horn of Africa, is a rugged, landlocked country split by the Great rift valley. With archaeological finds dating back more than 3 million years, it's a place of ancient culture. Among its important sites are Lalibela with its rock-cut Christian churches from the 12th - 13th centuries. Axsum is the ruins of an ancient city with obelisks, tombs, castles and our lady mary of zan church. Ethiopia is the oldest independent country in Africa.

Ethiopian Coffee Ceremony

የኢትዮጵያ ማቅረብ የካፋል አገልግሎት

The Story of Coffee has its beginnings in Ethiopia. Coffea Arabica, first discovered in the "Kaffa" region (from which the name coffee is derived) in South western Ethiopia.

Sharing delicious, laboriously prepared coffee serves as an opportunity to catch up with friends, neighbors, and entertain guests.

የኢትዮጵያ ማቅረብ የካፋል አገልግሎት

The national dish for most Ethiopians is injera, a flat, soft dough pancake made from a special yeast called teff, which is served with either meat or vegetable sauces. Ethiopia has got these injera by tearing off a bit of injera and mess it up pieces of meat or mops up the sauce when eating national food Ethiopians eat together, off one large circular plate.
