

# MASTER OF SCIENCE IN BUSINESS ANALYTICS (MSBA)

AT THE MILGARD SCHOOL OF BUSINESS

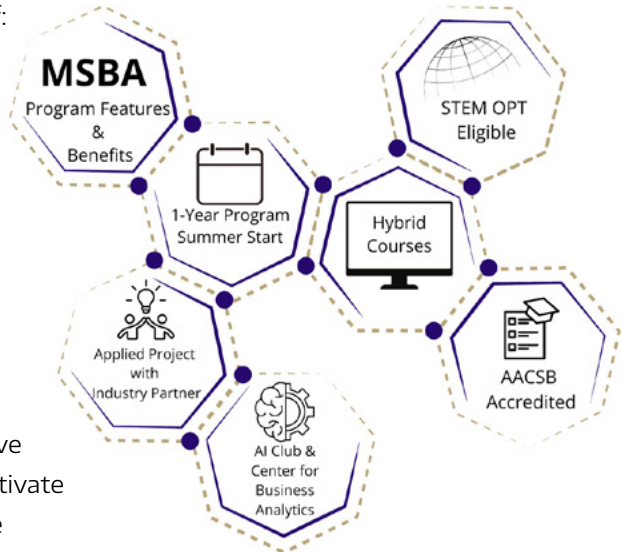

## WHY BUSINESS ANALYTICS?

Upskill your career with a degree in business analytics - empowering students to make smart data-driven decisions, enhancing problem-solving abilities, and opening up diverse career opportunities across various industries. **From day one, students will join teams to tackle real-world analytics projects with local companies, gaining practical experience right from the start.**

Be part of the next-generation of:

- Analytic-savvy business professionals
- Project & program managers
- Analytic managers
- Chief analytic officers
- T-shaped analytical thinkers
- Adaptive innovators

Making effective and efficient business decisions that either solve existing business problems or cultivate new opportunities to improve the performance of organizations.
