FAMILY

By: Liam & Luka Mancillas

¡Buenos días! Hoy platicaremos un poco de nuestra familia...  
Nuestra familia está compuesta de Papa, Mama, Liam, Luka y no podía faltar nuestra hermana Gigi.

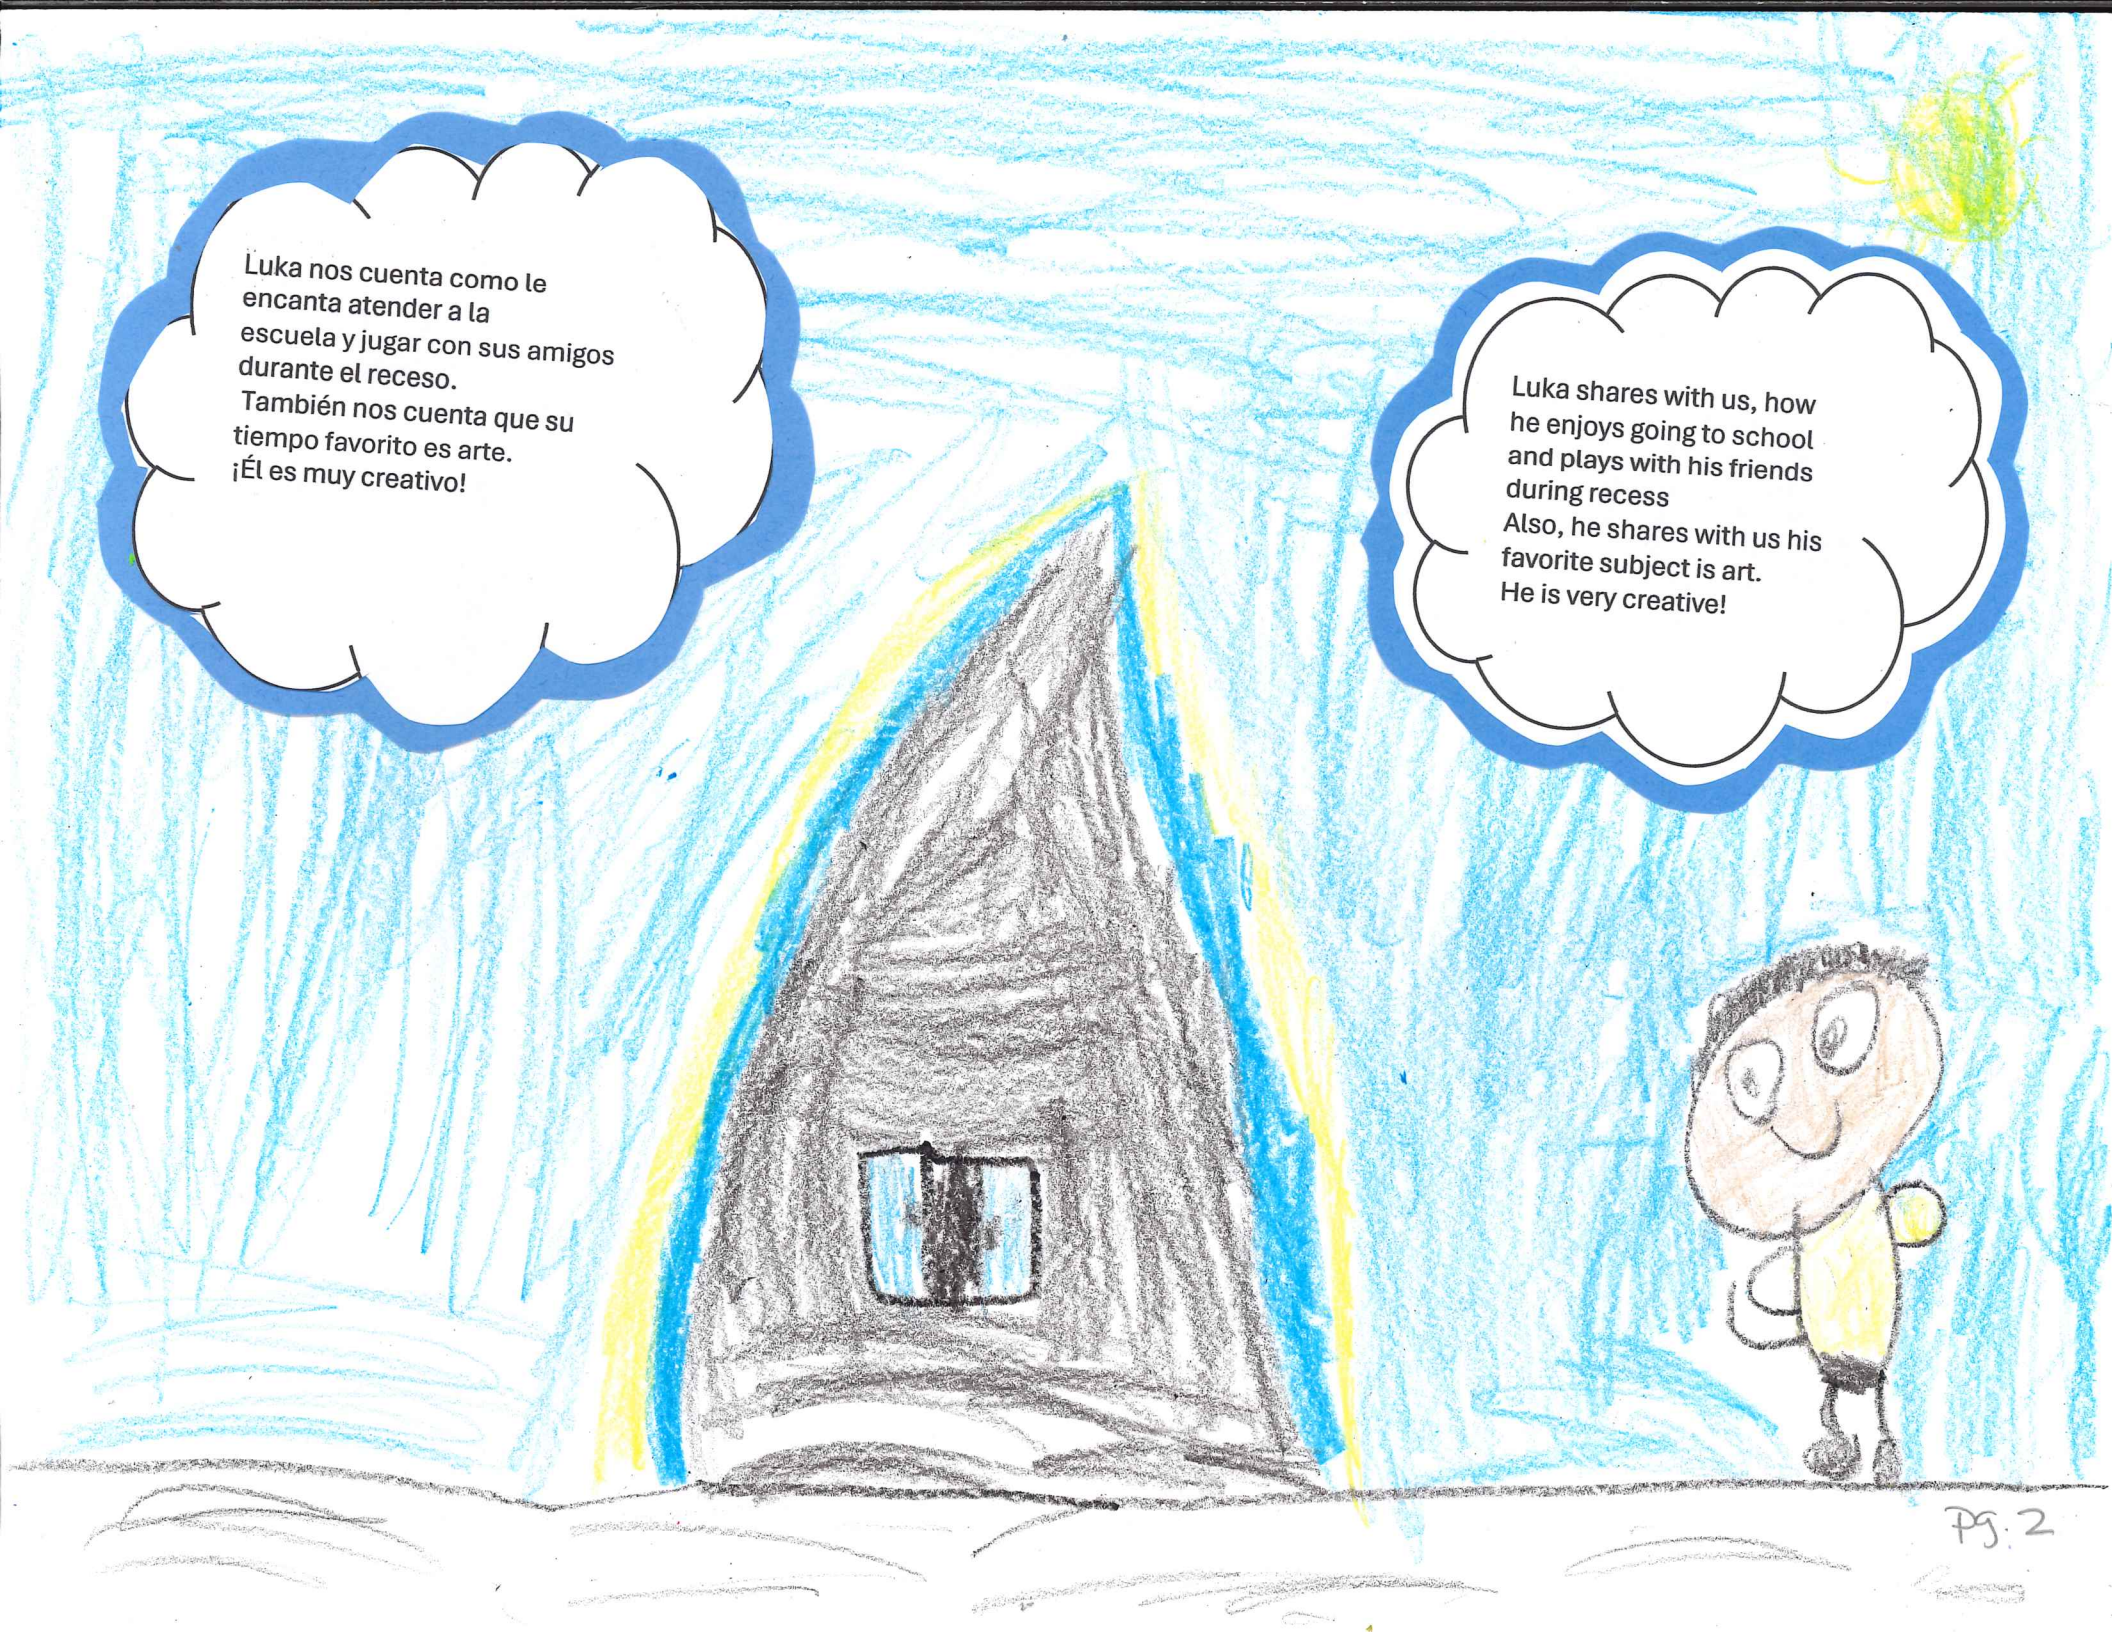

Cada noche nos juntamos en la mesa para merendar y platicar sobre como estuvo nuestro día.

Good morning! Today we will talk a little bit about our family...  
Our family is composed of Papa, Mama, Liam, Luka and we cannot forget of our little sister Gigi.

Every night we get together at the table for a small snack and talk about how our day went.

A child's drawing on a white background. The background is filled with vertical blue and yellow crayon strokes. In the center is a grey, triangular schoolhouse with a small square window. A large rainbow with yellow, orange, and red bands arches over the schoolhouse. In the bottom right corner, a cartoon boy with a large head, wearing a yellow shirt and black pants, stands looking towards the schoolhouse. Two white, cloud-shaped callout boxes with blue borders are positioned on either side of the schoolhouse. The top right corner features a yellow sun with radiating lines.

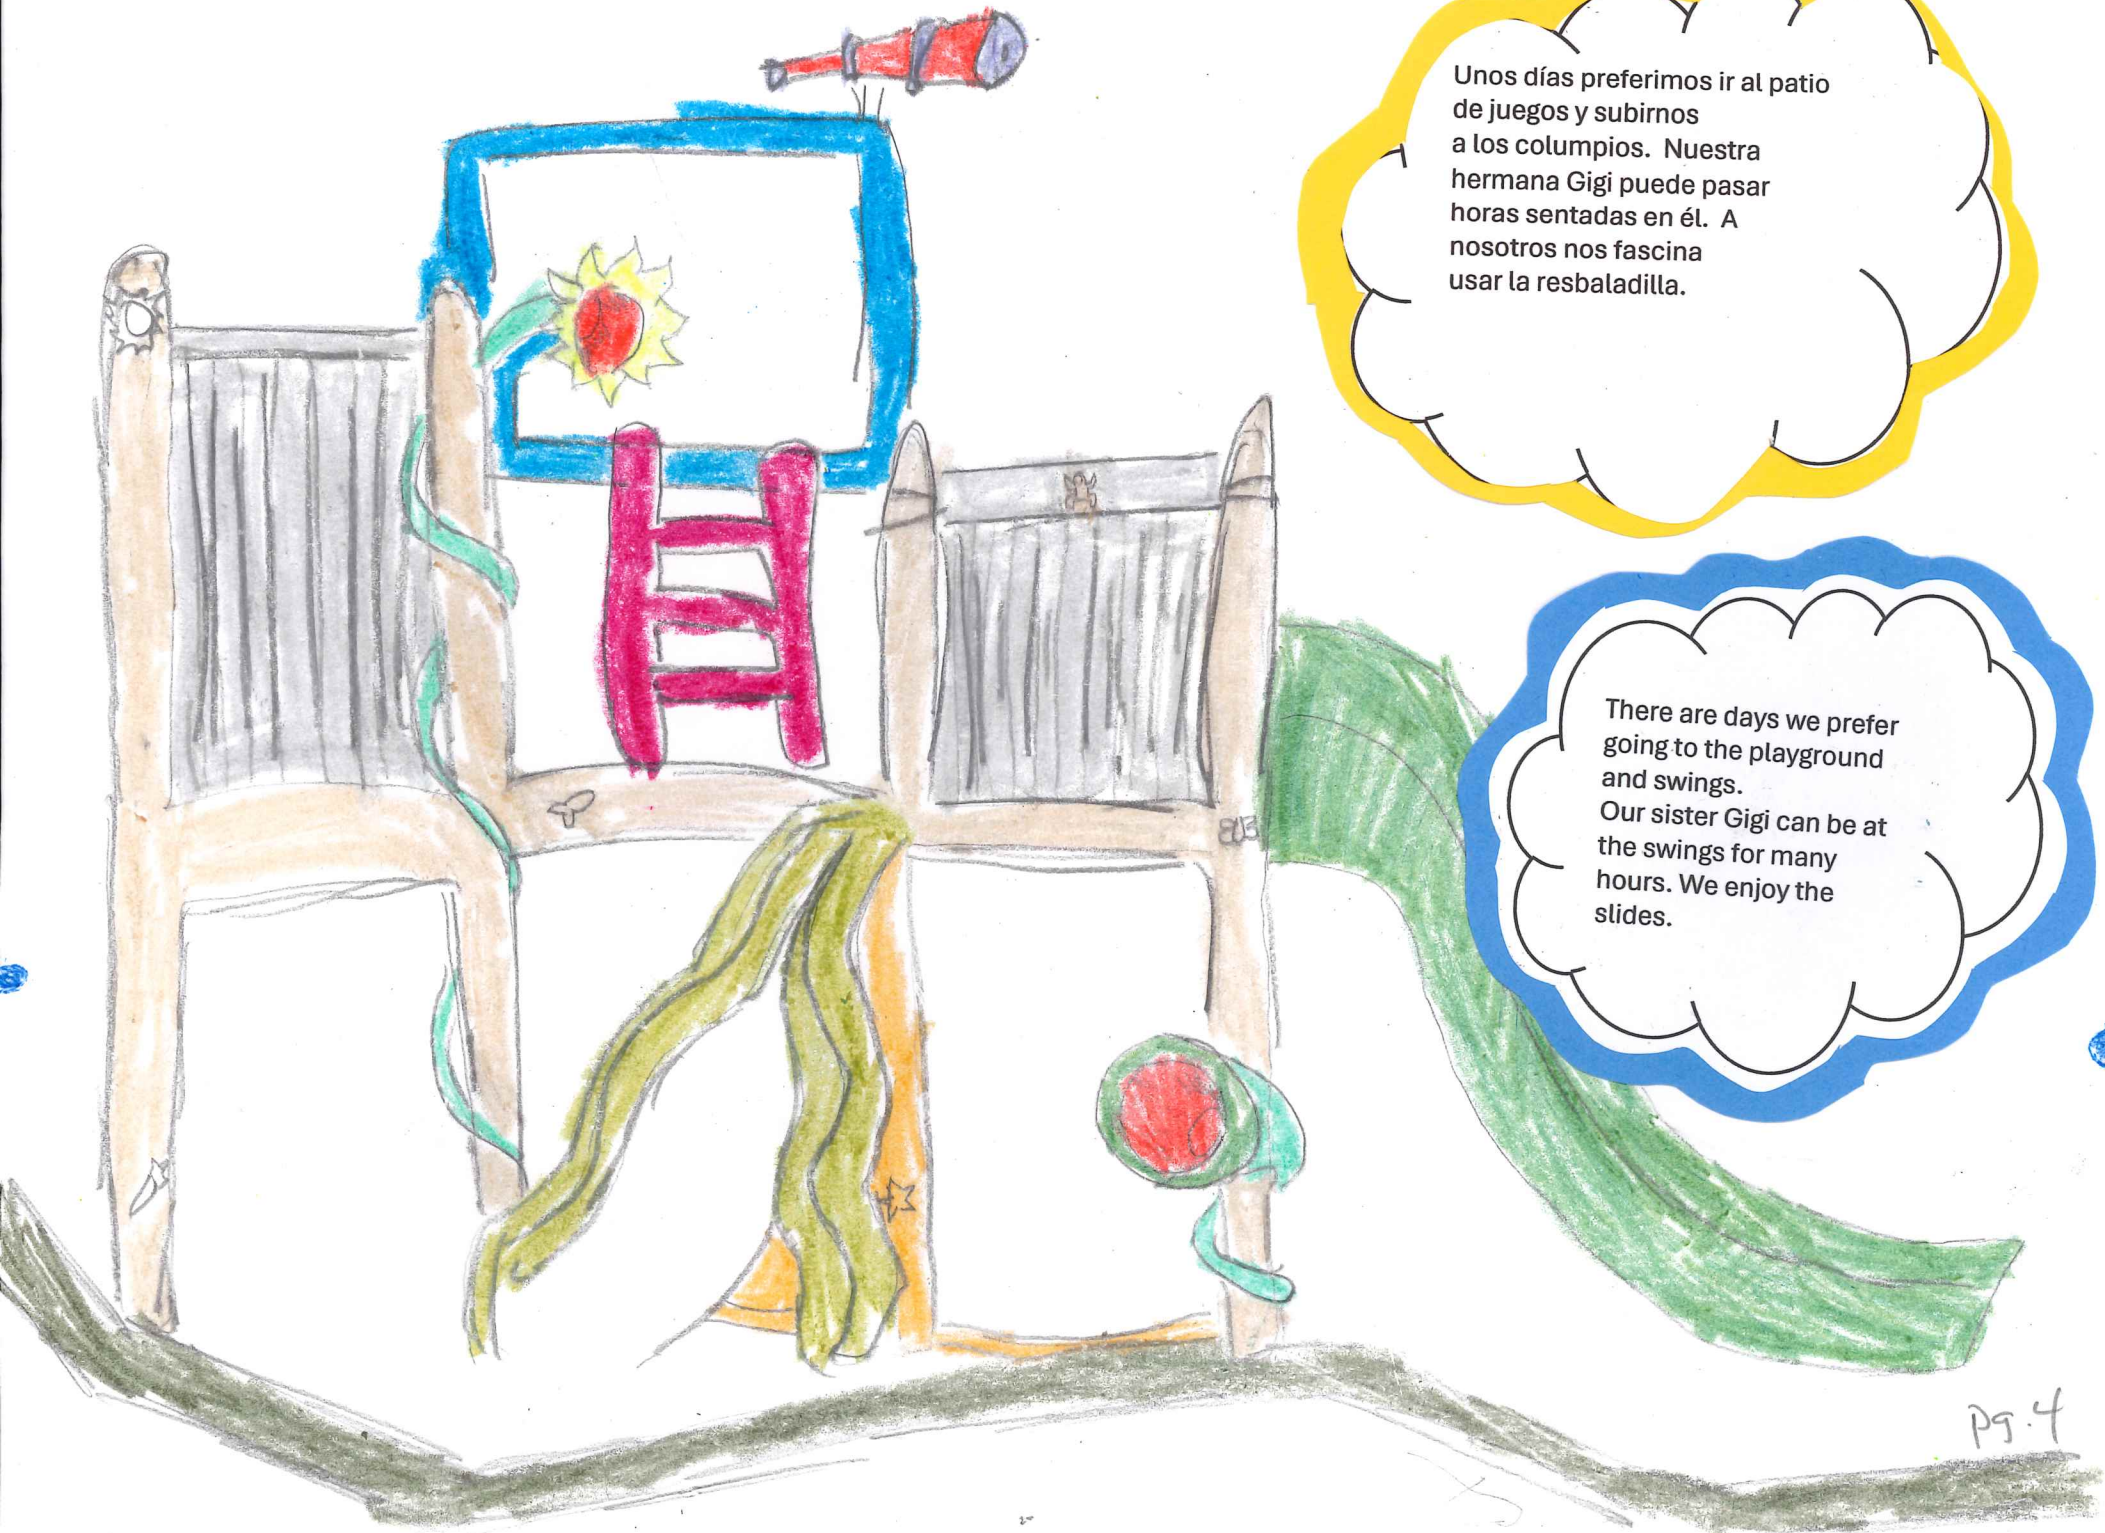

Luka nos cuenta como le encanta atender a la escuela y jugar con sus amigos durante el receso. También nos cuenta que su tiempo favorito es arte. ¡Él es muy creativo!

Luka shares with us, how he enjoys going to school and plays with his friends during recess. Also, he shares with us his favorite subject is art. He is very creative!

Jugar futbol con papa es la actividad favorita de Liam. A él le encanta competir y patear la pelota solo para divertirse.

Liam's favorite activity is playing soccer with Dad, he enjoys competing and kicking the ball around to have a good time.

Unos días preferimos ir al patio de juegos y subirnos a los columpios. Nuestra hermana Gigi puede pasar horas sentadas en él. A nosotros nos fascina usar la resbaladilla.

There are days we prefer going to the playground and swings. Our sister Gigi can be at the swings for many hours. We enjoy the slides.

Cuando cae Lluvia nos gusta quedarnos en casa y jugar con nuestros legos. Ahí nuestra imaginación puede crear todo tipo de personajes. Enveses imaginanos ser granjeros y otras veces volamos cuetes a la luna.

When it rains, we enjoy staying home to play with our legos. We can create any character we want to be with our imagination. There are times we are farmers and others we are flying to the moon.

Al final del día cuando la luz se apaga es hora de ir a dormir. Mama dice que es muy importante que durmamos para que podamos seguir imaginándonos llegar un día a las estrellas.

At the end of the day when it's time to sleep and the lights are out.

Mom says "It's very important to sleep so we can continue with our imagination so one day we can reach the stars"
